

FROM THE PRO

How does MySchool MyVillage MyPlanet work?

More than 600 000 South Africans carry MySchool cards. Supporters apply for a MySchool MyVillage MyPlanet card for free and nominate their favourite school or charity as the beneficiary.

When they purchase items from participating retailers they swipe the card with the purchase.

A small percentage of their transaction is then allocated to their beneficiary school or charity. All these transactions are recorded and a statement is sent to individual supporters on a monthly basis. **The partner stores pay the donation on your behalf!**

The MySchool MyVillage MyPlanet programme **raises more than R2.2 million per month** for the schools, charities, animal welfare and environmental organisations it supports.

Dear Parents of St Patrick's College,

*For all of you who shop "Woolies" and have Woolworths Rewards Cards; please would you consider changing to a MySchool Card for St Patrick's College. You can **earn rewards** for yourself and St Patrick's every time you shop at Woolworths!*

Help us to help the community.
